

## Coaching Practicum

3D's Coaching Practicum delivers 8 hours of voice to voice training.

It comprises 8 hours of live coaching practice with an experienced credentialled coach giving you opportunities to

- name what you are learning
- coach
- be coached
- notice the thinker, the coach or the space in between them in a variety of different coaching conversations with different thinkers and coaches.

The learning and the feedback covers all 11 ICF Core Competencies.
